

Do You Know About ORMUS ?

Attend a local Ormus Group

What is Ormus ?

Beneficial natural mineral nutrients, previously unknown, that promote a healthier life in all biological systems.

Why were they previously unknown?

Because they did not show up in standard scientific tests.

What kind of minerals?

Trace minerals that are commonly lacking in most of our foods today and which are required for better physical and mental health. Ormus minerals are absorbed between 8 - 12 times more efficiently than tablets or capsules.

ORMUS containing source materials include soil, ash, seawater and Ormus is found naturally in all biological systems – such as plants.

How does Ormus help me?

Some researchers have reported that ORMES from ORMUS seem to enhance energy flow in the microtubules inside living cells and work to help repair damaged DNA. ORMUS has been proven to be extremely beneficial to plants and animals.

People who have taken ORMUS report many healing, rejuvenating and spiritually enlightening effects.

Do You Want To Know More?

ORMUS GROUP meetings in your local area - see below.

A group of people located in your area who can help you and others find out more about the amazing health benefits of ORMUS and how to concentrate it from common sources. Learn about this interesting and helpful natural nutrient that supports good health.

Watch www.YouTube.com video "Intro to Ormus" by Chris Emmons R.Ph.

Read the book "Ormus Modern Day Alchemy" [from www.OrmusBook.com]

Your local Ormus Group meeting open to the Public is held here.
